

Trueworth Foundation, is working in Community Areas , in Outskirts of Islamabad. We are working in UCs around Islamabad. Trueworth Foundation is running a hospital by the name of Al-Wadood Hospital in Thandapani. We are working for basic health issues, and providing services to Women and Children in unserved communities. We have a laboratory, a Minor OT. Doctors and child specialists are available on the doorstep of people, living in community. Our Hospital is not commercial, its wholly for providing services and health care to women and children specially.
